

Company Overview

Manda Strategies is a consulting firm specializing in subnational diplomacy, international engagement, urban development, and equity-centered public policy. With over a decade of experience in the City of Los Angeles—spanning international relations, transportation equity, urban planning, and community development—we help governments, nonprofits, and private firms build strategic partnerships and deliver projects that leave lasting impact.

Mission Statement

To advance equity-driven policies and international collaboration that strengthen communities, foster inclusive growth, and build resilient global cities.

Core Values

- **Equity & Social Justice** – Ensuring all communities have access to opportunities and resources.
- **Diplomacy & Collaboration** – Bridging cultures and institutions for global-local partnerships.
- **Integrity & Accountability** – Delivering results grounded in transparency and responsibility.
- **Innovation & Legacy** – Creating solutions that are forward-looking and leave lasting impact.
- **Family & Community** – Rooted in the belief that thriving families build thriving societies.

Goals

1. **Empower Cities & Organizations** to engage globally and locally with strategies rooted in equity and diplomacy.
2. **Support International Relations** by strengthening ties between consulates, governments, and civil society.
3. **Promote Inclusive Urban Development** by advising on transportation, housing, and infrastructure projects.
4. **Advance Corporate & Nonprofit Social Impact** through stakeholder engagement, CSR initiatives, and policy alignment.
5. **Mentor Future Leaders** in diplomacy, planning, and social justice.
